

HE MUST GO BACK

Geo. Pratt Declared a Leper by Doctors.

IS NOW IN QUARANTINE

Attempt of San Francisco to Force Its Disease on Hawaii Blocked.

THE man who was sent by the San Francisco Board of Health to Hawaii as a leper, George Pratt, who came here on the China and who declared himself a cured leper, was examined by the official examiners of the Board of Health of Hawaii and was declared a leper. He is not cured.

He is still a leper. The marks of the disease are on his body, every sign pointing to his condition, and according to his own confession, the most striking and fearful stigmata of the disease show themselves now and again upon him.

Pratt was taken yesterday from the Kailhi receiving station to Quarantine Island. He was turned over as agreed by the Board of Health of Hawaii to the Federal quarantine authorities. He will be held here until the return of the China from the Orient, when, if he is willing, he will be sent back to San Francisco. If he refuses to return of his own volition he will either be forcibly deported or a reply will be awaited to communications sent to the Secretary of the Treasury at Washington.

George Pratt, the leper, has proved himself such a picturesque liar since his arrival here that it is difficult to know what to believe of his statements. He tells one story to one man and another to the next. Though ignorant and uneducated, he is cunning. When he landed in Honolulu last Tuesday he said first that he had come here to seek admission to the Molokai Leper Settlement and there to devote his life to the cure of leprosy by certain medicines which he said he had with him.

Again he has said that he came to cure the case of one West, who is at Molokai; that he intended to give his medicines to doctors here; that he had been sent here by the Board of Health of San Francisco; that he had not been sent by the Board of Health of San Francisco; that he came from Louisiana; that he came from San Francisco. The man has told so many conflicting stories that all those who have talked with him here have lost faith in his utterances.

It seems certain, however, that he has been in San Francisco for about two years previous to coming here and that he was directed to come here by the Board of Health of that city. Whether he was sent here to make a test of the possibilities of the general admission of Mainland lepers or whether he was merely a case of San Francisco authorities seeking to rid themselves of an objectionable patient has not been shown conclusively. The Board of Health of Hawaii feels that Pratt has been brought into this country through the omission of innocent, of course, of the Federal authorities and the board will look to the Federal authorities to send back Pratt to the state from whence he came.

Dr. Carmichael feels as strongly disposed in this direction as do the officials of Hawaii. He declares that he will keep Pratt in seclusion until he returns him to San Francisco, and that he will do everything possible to prevent any further invasion of Hawaii by lepers from the Mainland.

The people of Hawaii are aroused in this matter. The business men and the residents who are not in business are determined that Hawaii shall not be made the dumping ground for the diseased of America. It is understood that the Chamber of Commerce and other mercantile bodies here will adopt resolutions endorsing the Board of Health's efforts and protesting against the evident intentions of the States toward Hawaii.

DRAFTING THE CITY CHARTER

Republicans and Independents Plan for Men To Do It.

At a conference of Republicans yesterday there were present the following: T. McCants Stewart, presiding; H. P. Baldwin, A. F. Gillman, W. C. Achi, W. J. Cookey, C. H. Dickey, C. L. Crabbe, Cecil Brown, Jonah Kūmalao, Wm. Aylett, A. G. M. Robertson, Wm. Hoss, J. P. Cooke and E. R. Hendry.

The following resolution was unanimously adopted: It is the sense of this conference that the executive committee of the Republican party of Hawaii appoint a committee of thirty members from among the representative citizens of this city, none of whom shall be a member of the Legislature, and that they form a charter for the city of Honolulu to be submitted to the Legislature as a Republican measure.

The executive committee will probably meet at the end of the week to consider the resolution.

The following resolution was adopted by the executive committee of the Independents:

Resolved, That the executive committee of the Republican and Democratic parties be invited to join with that of the Home Rule party in the selecting of a committee of thirty free holders of the city of Honolulu in proportion as follows:

Twelve to be appointed by the Republican central committee, six to be

appointed by the Democratic central committee and twelve by the Home Rule committee.

The committee as appointed, to draft a charter for the city of Honolulu, to be submitted to the Legislature in February, 1901.

Resolved, That upon receiving notice of the acceptance of this proposal for the selection of committees the Home Rule committee fix a day for convening the committee on charter.

Resolved, That no member of the Legislature shall serve on the above named committee.

MARRIED FORTY YEARS.

Mr. and Mrs. Lewis Schoen Celebrate Their Anniversary.

Many friends assembled at the home of Mr. and Mrs. L. S. August in North Kona on Saturday to celebrate the fortieth wedding anniversary of Mr. and Mrs. Lewis Schoen, parents of Mrs. August, who are now on a visit to their children on the Islands.

The cosy home was prettily decorated. The lanai, closed in with ferns, was used for dancing. Among the invited guests were Mr. and Mrs. Cockburn, Mr. and Mrs. Kane, Mr. and Mrs. Patten, Mr. and Mrs. Scott, Mr. and Mrs. Woods, Mr. and Mrs. Wallace, Mr. and Mrs. Todd, Mr. and Mrs. Wasserman, Mr. and Mrs. Ackerman, Mr. and Mrs. Mayfield, Dr. and Mrs. Lindley, Mr. and Mrs. Paris, Mr. and Mrs. Cowan, Mr. and Mrs. Nahale, Mr. and Mrs. Linder, Mrs. Greenwell, Mrs. Rodin, Mr. Overend, Mr. and Mrs. Neely, Miss Maroon, Miss Hayes, Miss Greenwell (2), Miss Ward, Miss Wood, Miss Willis, Miss Pedro, Miss Roy, Miss Low, Miss Beier, Mrs. Jarrett, Mrs. Cooper, Mr. Clark, Mr. Greenwell (3), Judge Edding, Mr. Chas. Hall, Mr. Gussfeld, Mr. Curtis, Mr. McDougall, Mr. White, Mr. McFarland, Mr. Snodgrass, Mr. Lebart, Mr. Maguire, Mr. Davis, Mr. Kinnery.

IT WAS NOT HIS FAULT.

The man who sits down to his supper and refuses to eat is not likely to rise in the esteem of his wife or of his cook. Excellent cooks have thrown up their situations, and gone off in a huff simply because the master of the house has casually remarked that there was a trifle too much salt in the soup.

Nevertheless, Mr. John Bennett, according to his own story, failed to get any satisfaction out of his meals for several years. Yet nobody complained of him, because it was not his fault. He would not have dreaded the coming of a meal time, as he actually did dread it, had he possessed the power to choose his own feelings.

But alas! a deaf man may love music, or a blind one long vainly for the sight of remembered colors.

"From 1884 to 1889," said Mr. Bennett, "I was a helpless victim of that tormenting and incorrigible complaint—indigestion. How it came on me at the outset I cannot say. It is like waking up in the night and finding a thief in your house. How he got in you may never exactly discover—not even by the aid of the police.

"What I do know is, that it annihilated my appetite and spoiled my comfort. The little I did worry down often came up again—undigested, and consequently of no advantage to me.

"In fact, I dreaded the coming of meal time and wished it were possible to get along without eating. But this is the horror of chronic dyspepsia—that one must eat in order to live, and that existence under such circumstances is scarcely worth having.

"During all those years—about fifteen of them—I never knew what it was to be well. Of all the medicines I resorted to, and they comprised almost everything, I heard of that had the slightest hope in it, none did me any good; that is, none went to the bottom of my trouble. Any weary and hapless dyspeptic will understand what I mean.

"Some time in 1889 (just ten years ago now), I bought a bottle of Mother Seigel's Syrup of Mr. Sept. Powell, the chemist here in Paddington. He has been long in business in this place, and can be trusted to recommend only what is good in his line.

"I need only add that the result of my using this medicine was far beyond my hopes or dreams. Before I had finished the first bottle I was better, and after taking the Syrup a few weeks longer I was cured. Yes, and really cured; for never since then has a sign of my old trouble shown itself.

"What I think of Mother Seigel's Syrup may be inferred."—John Bennett, 18 Beag Street, Paddington, Sydney, N.S.W., August 30th, 1889.
